MAJU
SAFETY CONSULTANTS

Your Safety, Our Priority

COMPANY PROFILE

- Safety Consultancy
- Compliance & Documentation
- Training & Inductions
- Risk Management

ABOUT US

Maju Safety Consultants is a professional Occupational Health and Safety (OHS) consultancy that specialises in the development, compilation and management of comprehensive Safety Files, HSE documentation and compliance solutions for various industries and projects.

OUR PURPOSE

To help organisations create safer, compliant and productive work environments through practical, legally aligned and client-focused safety solutions.

OUR VISION

To be a trusted and preferred Safety Consultancy, recognised for quality, reliability and safety excellence.

OUR VALUES

- Safety First
- Integrity
- Professionalism
- Compliance
- Client Commitment
- Continuous Improvement

OUR SERVICES

We provide end-to-end Occupational Health and Safety consultancy services tailored to the needs of our clients, including:

Safety File Compilation & Updating

Complete, client- and project-specific Safety Files (Construction, Events and General Worksites).

SHE Plans & Compliance

Development of SHE Plans and alignment with client HSE specifications and legal requirements.

Risk Assessments & Method Statements

Site- and task-specific Risk Assessments (RA) and Method Statements (MS).

Training & Inductions

Worker Inductions, Legal Appointments and Competency Training Certificates.

Safety Registers & Records

Development and management of all required OHS registers (e.g. PPE, inspections, checklists, DSTIs, toolbox talks).

Incident & Emergency Management

Procedures, reporting and record-keeping for incidents, accidents and emergency preparedness.

SAFETY FILE SOLUTIONS

We compile, update and maintain comprehensive Safety Files that are:

- Aligned with the Occupational Health and Safety Act (OHS Act)
- Tailored to client and project specifications
- Audit- and inspection-ready
- Practical and easy to implement
- Continuously reviewed and updated
